# **9 Ball Rules**

## **5.1 OBJECT OF THE GAME**

Nine-Ball is played with nine object balls numbered one through nine and a cue ball. On each shot, the first ball the cue ball contacts must be the lowest numbered ball on the table, but the balls need not be pocketed in order. If a player pockets any ball on a legal shot, he remains at the table for another shot, and continues until missing, committing a foul, or winning the game by pocketing the 9-ball. After a miss, the incoming player must shoot from the position left by the previous player, but after any foul the incoming player may start with the cue ball anywhere on the table. Players are not required to call any shot. A match ends when one of the players has won the required number of games.

## **5.2 RACKING THE BALLS**

The object balls are racked in a diamond shape, with the 1-ball at the top of the diamond and on the foot spot, the 9-ball in the center of the diamond, and the other balls in random order, racked as tightly as possible. The game begins with cue ball in hand behind the head string.

## **5.3 ORDER OF BREAK**

Winner of the lag has the option to break. In 9-Ball, the winner of each game breaks in the next, unless otherwise specified by the tournament organizer. The following are common options that may be designated by tournament officials in advance:

- (a) Players alternate break.
- (b) Loser breaks.
- (c) Player trailing in game count breaks the next game.

## **5.4 LEGAL BREAK SHOT**

The rules governing the break shot are the same as for other shots except:

1. The breaker must strike the ball first and either pocket a ball or drive at least four numbered balls to the rail.
2. If the cue ball is pocketed or driven off the table, or the requirements of the opening break are not met, it is a foul, and the incoming player has cue ball in hand anywhere on the table.
3. If on the break shot, the breaker causes an object ball to jump off the table, it is a foul and the incoming player has cue ball in hand anywhere on the table. The object ball is not re-spotted (exception: if the object ball is the 9-ball, it is re-spotted).

## **5.5 CONTINUING PLAY**

On the shot immediately following a legal break, the shooter may play a "push out." (See Rule 5.6). If the breaker pockets one or more balls on a legal break, he continues to shoot until he misses, fouls, or wins the game. If the player misses or fouls, the other player begins an inning and shoots until missing, committing a foul, or winning. The game ends when the 9-ball is pocketed on a legal shot, or the game is forfeited for a serious infraction of the rules.

## **5.6 PUSH OUT**

The player who shoots the shot immediately after a legal break may play a push out in an attempt to move the cue ball into a better position for the option that follows. On a push out, the cue ball is not required to contact any object ball nor any rail, but all other foul rules still apply. The player must announce the intention of playing a push out before the shot, or the shot is considered to be a normal shot. Any ball pocketed on a push out does not count and remains pocketed except the 9-ball. Following a legal push out, the incoming player is permitted to shoot from that position or to pass the shot back to the player who pushed out. A push out is not considered to be a foul as long as no rule (except rules 5.8 and 5.9) is violated. An illegal push out is penalized according to the type of foul committed. After a player scratches on the break shot, the incoming player cannot play a push out.

## **5.7 FOULS**

When a player commits a foul, he must relinquish his run at the table and no balls pocketed on the foul shot are re-spotted (exception: if a pocketed ball is the 9-ball, it is re-spotted). The incoming player is awarded ball in hand; prior to his first shot he may place the cue ball anywhere on the table. If a player commits several fouls on one shot, they are counted as only one foul.

## **5.8 BAD HIT**

If the first object ball contacted by the cue ball is not the lowest numbered ball on the table, the shot is foul.

## **5.9 NO RAIL**

If no object ball is pocketed, failure to drive the cue ball or any numbered ball to a rail after the cue ball contacts the object ball on is a foul.

## **5.10 IN HAND**

When the cue ball is in hand, the player may place the cue ball anywhere on the bed of the table, except in contact with an object ball. The player may continue to adjust the position of the cue ball until shooting.

## **5.11 OBJECT BALLS JUMPED OFF THE TABLE**

An un-pocketed ball is considered to be driven off the table if it comes to rest other than on the bed of the table. It is a foul to drive an object ball off the table. The jumped object ball(s) is not re-spotted (exception: if the object ball is the 9-ball, it is re-spotted) and play continues.

## **5.12 JUMP AND MASSE SHOT FOUL**

If a match is not refereed, it will be considered a cue ball foul if during an attempt to jump, curve, or masse the cue ball over or around an impeding numbered ball, the impeding ball moves (regardless of whether it was moved by a hand, cue stick follow-through or bridge).

## **5.13 THREE CONSECUTIVE FOULS**

If a player fouls three consecutive times on three successive shots without making an intervening legal shot, the game is lost. The three fouls must occur in one game. The warning must be given between the second and third fouls. A player's inning begins when it is legal to take a shot and ends at the end of a shot on which he misses, fouls or wins, or when he fouls between shots.

## **5.14 END OF GAME**

On the opening break, the game is considered to have commenced once the cue ball has been struck by the cue tip. The 1-ball must be legally contacted on the break shot. The game ends at the end of a legal shot which pockets the 9-ball, or when a player forfeits the game as the result of a foul.

# STONECREST

## **Bingo**

**Date:** Monday, February 17, 2020

**Location:** Stonecrest

11050 SE 176th Place Road., Summerfield, FL 34491

**Registration:** 1:30pm

**Games Start:** 2:00pm

### **The Game:**

Each bingo card contains 24 numbers and a blank square, situated on a 5x5 grid. When the game starts, random numbers are drawn and whoever participating in the game completes a bingo pattern first, wins. The numbers on the cards are randomly assigned to the squares on the card. Each player may choose the bingo cards they would like to use. When the bingo game starts, the players are not allowed to use any more cards, other than the ones in their possession, until the end of the game. During the bingo game, random numbers are drawn and announced by the caller. After a number is announced, every player needs to check his/her bingo cards for the announced number and if he/she has it on one or more of his/her cards, they need to mark it accurately on the cards where the number is present. This is done until one or more players call **BINGO**. The game stops, the numbers are verified, and a new game is started if the player indeed has Bingo.

### **Bingo Cards:**

Bingo cards will be provided for each player. Players may choose to bring stampers, highlighters, or markers to mark their bingo cards. No more than 3 bingo cards will be given to each player during the course of one game.

### **Patterns:**

The patterns that will be played will be chosen by the Bingo caller and announced during the day of play.

**\*Awards will be handed out at the Closing Ceremony which will be held on Friday, February 21, 2020 in the SummerGlen Grand Hall at 12pm. Lunch will be provided! (1450 SW 154<sup>th</sup> Street Rd., Ocala, FL 34473)**

The 8 teams will be split into 2 groups of 4 teams each. This can be done at random or geographically (i.e. North & South Divisions).

Round 5: Winner from Match 6 for each group plays each other for the Championship. Loser of this game gets 2nd place. Loser from Match 6 for each group plays each other for 3<sup>rd</sup> place.

During the 3<sup>rd</sup> and 4<sup>th</sup> rounds, teams already eliminated in the playoffs are welcome to match up and enjoy playing some more bocce. Total playing time for all matches should be approximately 3 to 4 hours.

## **U.S. Bocce Federation Rules**

### **How many people on a Team?**

Games can be played one-on-one (singles), pairs (doubles), triples, or foursomes. In USBF format, singles are played with each person throwing 4 balls and alternating use of each end of the court. In doubles (pairs), each team member throws 2 balls and again alternate use of each end of the court. Triples have become the newest format and 12 balls are used instead of 8. Play is the same as Doubles with each team member throwing 2 balls and alternating use of each end of the court. Foursomes should be played with 2 members of a team stationed at opposite ends of the court and playing 2 balls each.

### **Tossing the pallino**

The toss is valid if the pallino passes the center line and does not touch the back wall on the opposite end. If the player fails to place the pallino in the valid area, the opposing team will put the pallino in play. If both players fail, the pallino returns to the original team for an additional attempt. The alternating process continues until the pallino is in a valid position. The team that originally tossed the pallino will play the first ball.

### **Starting the game**

The first ball may be rolled by any member of the team that originally tossed the pallino. When shooting, the player is allowed to step on the foul line prior to releasing the ball. As long as even the heel (of the lead foot) is on the line, it is a valid shot. Once a player has released the ball, he/she is allowed to continue steps up to the center line. This is considered valid. Should the rolled ball hit the backboard without first touching the pallino, side board or angle board, it is a dead ball and must be removed from the court. The same team must roll again and continue rolling until a valid point is established. Once the point is established, the opposing team must roll until they make a new (closer) point. Players may use the side walls at any time. If a player rolls the wrong color ball, simply replace it with the correct color once it comes to rest. In the event a tie is determined, the last team to roll a ball must roll again until the tie is broken. If after all the balls are played there is still a tie, no points are awarded and play resumes with the team last scoring tossing the pallino from the opposite end of the court. Balls may be measured at any time. If a player moves a ball when measuring, the point is awarded to the opposing team. One team member can cross the centerline to measure balls.

### **Backboard**

If a ball hits the backboard without first touching another ball, pallino, side or angle board, it is a dead ball and removed from the court. If a ball is shot, hits the backboard illegally and then strikes a stationary balls, the shot, ball is removed from the court and the

stationary balls are placed in their approximate original positions. The pallino is always a valid target and remains in play even if it strikes the back wall after being struck by any valid ball during a frame. If, however, the pallino is knocked out of the court or bounces back in front of the center line, the frame is considered void and the team that started the frame will begin again at the opposite end of the court. In the event balls resting against a backboard is moved as a result of a valid shot, they remain in their new position. If, however, they move as a result of an invalid shot, they are returned to their approximate original positions.

### **Scoring**

Only one team scores in a frame (unless there is a tie). Games are played to 12 points.

**\*Awards will be handed out at the Closing Ceremony which will be held on Friday, February 21, 2020 in the SummerGlen Grand Hall at 12pm. Lunch will be provided!

A golf scramble is a TEAM format for golf tournaments with the rules emphasizing fun without the pressure of players keeping individual scores. Each player hits a tee shot on each hole, but everyone plays from the spot of the best shot, subject to certain criteria, until the ball is holed. Total game time is about 4 hours.

### **Game Play:**

1. Each member of the team starts play from their assigned starting hole.
2. The best tee shot is chosen through consensus of the scramble team. The group can decide the best tee shot based on any criteria they choose. Usually, the best shot is the longest drive that lands in the fairway, though the team may choose a long tee shot that landed off the fairway in the rough if there is a decent lie.
3. The spot of the best tee shot is marked with a golf tee or ball marker. Players must pick up their golf balls and hit from within one club length of the newly marked spot, keeping the ball in the same condition of the selected ball; ex: if the selected ball is in the rough all team members must play from the rough. Players are also permitted to move the ball no more than 6 inches and not closer to the hole on the putting green.
4. Team members continue selecting the best shot until one player hits the ball in the hole. The team score is the total of the best shots.

**Dress Code:** No denim or jean material pants or skirts will be permitted. The designated "2020 Leland Games" T-shirts are permissible with slacks or golf approved attire.

**Tips:** If you are selecting a scramble team, try to include at least one player who can hit good tee shots with the driver. Good tee shots will put your team in a good position for its second shot. Having a player who has good short-game skills also helps, especially putting.

# **Shuffleboard**

**Date:** Monday, February 10, 2020

*Make-up Day (if inclement weather): Tue. February 11, 2020*

**Location: Highland Lakes**

5500 Clubhouse Drive, Leesburg, FL 34748

**Registration:** 1:00PM

**Opening Ceremony: 1:30PM**

**Games Start:** 2:00PM

**Players:** Two teams of two players per community.

**Overview:** The object of the game is to score more points than your opponent by either knocking their pucks off or by sliding your pucks past theirs into a higher score zone.

A typical game is played to 15 points.

**Game Play:** A coin toss determines who shoots first and who gets the hammer. The winner normally takes the hammer and loser picks the color of puck she will shoot.

Player A begins by shooting one of his colored pucks. Player B shoots the other color. Players then rotate shots until all eight pucks have been shot. If a puck doesn't cross the foul line closest to the player shooting, it must be removed and the shot forfeited.

After all eight pucks have been shot, the players determine who scored by counting only the pucks closest to the end of the table and are the same color. If a player has more than one puck closer to the end of the table then his opponent may also count those pucks.

Remember, only one color can score per frame. A puck must be completely inside the score zone to receive the points in that zone.

The team or player that scores in that frame must shoot first in the next frame. This process is repeated until one team or player reaches 15 points.

**\*Awards will be handed out at the Closing Ceremony which will be held on Friday, February 21, 2020 in the SummerGlen Grand Hall at 12pm. Lunch will be provided! (1450 SW 154<sup>th</sup> Street Rd., Ocala, FL 34473)\***
